

Project for year 4

Your project will be to create a non-chronological report about an endangered animal of your choice. Please research information to help you create your report.

Try to include the following:

- What it eats
- Why it is endangered
- Habitat
- Animal's behaviour
- The % of animals left in the world (population)
- What can be done to protect the animal
- How the environment has affected the population of the animal
- How it could become extinct
- Food chain of the animal
- Labelled picture of the animal
- Coloured map of locations the animal can still be found
- Graph relating to data about your animal

Please practise your times tables - <https://www.timestables.co.uk/>

Complete pages from your maths and SPAG booklets.

Rainforest Shoe Box Project:

In year 4 next term our topic in geography will be the rainforest. Throughout your time off, your task is to create a rainforest habitat inside a shoe box or any small box you can find. You can do this however you wish, in whatever media you would like also.

Here are some idea you might like to base your own around:

Roman project

Task 1- Write a diary entry about the day in the life of a Roman Soldier. Use everything that you have learnt during our Roman topic and the website link below to support your learning.

Task 2-Create an A-Z of the Roman Empire with a definition for each word.

e.g.-

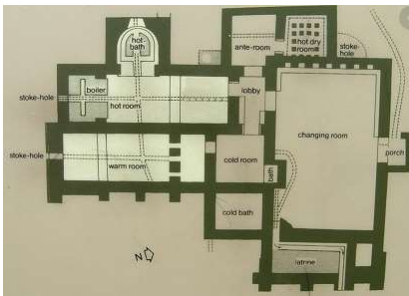

Amphitheatre- the entertainment in Roman times

Baths- Public place where Romans went to wash and relax

Task 3- Write a poem/ rap about any aspect of the Roman Empire (army, gladiators, emperors)

Task 4- Research Roman numerals and create a poster showing the numbers 0-9 and multiplies of 10, 100 and 1000s.

Task 5-Draw a Roman bath floor plan (rectangle rooms) and calculate the area and perimeter of each room.
