Goodbye Year 6

It has been a privilege to know you
and see you grow into the
wonderful young people you are.

For as long as I am here at this
school you will always have a
home here.

Sports Day

Sports Day 2018 was a huge success with excellent participation across our entire school. KS2 battled it out in the morning, and then KS1 demonstrated their skills in the afternoon. Traditional events like tug of war and the egg and spoon race, sat alongside the newly introduced space hoppers and long distance and sprints on the track. A great day, showcasing our ever growing sports abilities well done to everyone who took part!

Celebration Assembly

Well done to all the children who received an award in our celebration assembly today!

You are all stars!

All Souls Primary School Visit

This year our school council have been writing to All Souls Primary School in inner London. On the 19th June we took a trip to visit them at their school in London. It was a fantastic day!! We got to experience what it would be like to be a pupil at a school that sits right beside the BBC building and BT tower. Our children couldn't believe that the playground was on the actual roof of the school and they have no grass whatsoever. The children made friends really quickly and it was lovely to see them eating lunch with their new found friends.

On Monday 16th July All Souls came to visit us. They were so excited to see our playground and school field.

We also took them for a walk down by the river.

We look forward to seeing them again soon.

Summer holidays

All of the staff at BCPS would like to wish all the parents and children a wonderful summer break!

We hope you have a lovely break.

The school is now closed until the 10th September.
