End of day arrangements

Following on from our Parent Forum meeting on Monday it has been agreed to trial a new system for KS1 & KS2.

With effect from Thursday 4th there will be a semi-circle on the ground for KS1 parents to stand behind to allow teachers to have more room to release the children and this will also enable Reception access to their playground without being too crowded.

Parent Forum members also suggested Years 4, 5 & 6 parents wait further back towards the entrance gates for pick up. Hopefully this will ease congestion.
