

## Home School Agreement 2018

Name of Child .....

The term 'parents' is employed throughout this policy to refer to parents, carers or other in loco parents.

This home-school agreement is based on the principles and values on which this school is based and to which the governors, the headteacher and all the staff subscribe. It is hoped that parents and pupils are equally committed to the same ideals and central to this is the partnership developed between the parents, pupils and staff of the school.

### **Parents' responsibilities**

We acknowledge that we, as parents, are the primary educators of our children and have an irreplaceable role to play in supporting our children's learning at school.

Therefore I/we will:

- work with the school in supporting the education of my child
- see that my child attends school regularly, on time, suitably equipped and dressed in full school uniform
- daily check and sign the reading record to check communication from school
- support the aims and values of the school community
- work in co-operation with staff to resolve issues and problems that may arise and let the school know of any issues that might affect my child's work, behaviour or attendance
- encourage my child to be enthusiastic about learning, provide opportunities for home learning and support homework from school
- support the school's policies and guidelines for behaviour and dress code, which are intended to promote the highest standards of behaviour and discipline
- encourage my child to show kindness and consideration to others and to always behave appropriately, when in school uniform, on their way to, and from school
- participate in whatever way possible in school events
- treat staff and pupils with courtesy and respect
- contact the school in person regarding any concerns in order to resolve them as an alternative to expressing these on social media and networks including Facebook and group chat. Action will be taken if comments that are brought to our attention, contain threats, are defamatory, name individuals or constitute harassment. All parents have the right to register their children at an alternative school if they are unhappy with the service or care they receive
- work with the school to resolve any attendance issues or protracted absence
- not take family holidays during term time
- adhere to the school's policies on visitors and school security
