PRIMARY CHOIR**

# **CHRISTMAS IS COMING**

Have you noticed the Christmas tree?  
The mistletoe and the holly wreaths?  
Coloured lanterns for all to see  
It's so pretty along our street

## **CHORUS:**

**CHRISTMAS HAS STARTED, PRESENTS AND PARTIES  
MUSIC AND DANCING INTO THE NIGHT  
SINGING AND LAUGHTER, RAISING THE RAFTERS,  
HAVE YOURSELF A WONDERFUL TIME!**

Have you heard all the Christmas songs?  
The choirs and carols, and church ding-dong?  
Festive fav'rites from ages gone?  
It's so lovely to sing along

## **CHORUS**

Have you tasted the Christmas food?  
The deep mince pies and the figgy pud?  
Sweet satsumas and chestnuts too  
Turkey dinner for me and you?

## **CHORUS**

Have you put on your Christmas hat?  
Pulled a cracker, and said 'How's that?!'  
Played with presents that you've unwrapped  
Or watched the telly and had a nap?

## **CHORUS x 2**

# **TURN DOWN THE LIGHTS**

Turn down the lights and watch the fire glowing  
Colours burn bright and warm  
Now is the time for waiting and knowing  
Christmas will come with the dawn

Dark is the night and gentle the snowing  
Silently white it falls  
Calm is the sight, and the soft the wind blowing,  
Quietly come Christmas morn

## **CHORUS:**

**NIGHT BEFORE CHRISTMAS – THE WORLD IS AT HOME  
THIS DAY IS OVER AND DONE  
TREASURE THE MOMENT WHEN EVERYTHING'S STILL  
SOON CHRISTMAS MORNING WILL COME**

Under the tree the presents lie gleaming,  
Ribboned and wrapped and signed  
No-one can see but everyone's dreaming,  
Thoughts of the secrets inside

## **CHORUS**

All through the house a slumber is falling,  
Settle you down to sleep  
No need to frown, it soon will be morning  
All your surprises will keep

## **CHORUS x 2**

# COOL CHRISTMAS PIRATES

We're the coolest pirates that sailed the seven seas  
We can't wait 'til Christmas, with gifts up to our knees  
We're all tired of travelling to Mexico and Rome  
All we want to do is go back home...

Light up the Christmas tree we're counting down the days  
We're the thumpin' techno jumpin' stompin' cool Christmas pirates!

**We can spin around, turning upside down  
Now we're on our knees, and we do the freeze  
We can do a flip, then we do the splits  
We're the thumpin' techno jumpin' stompin' cool Christmas pirates!**

We can't wait for carols, the turkey and the ham  
Sprouts, mince pies and mulled wine, but not too much for nan!  
Wearing Christmas jumpers, all ready for some fun  
Get the crew together, here we come!
