Playground equipment

I am very pleased to share that we were able to update our playground equipment over the summer holidays.

The school paid £19,000 towards this and we would like to especially thank the PTA for their significant contribution of £8,000, bringing the total to £27,000.

We have added some photos for you to see the children enjoying their new equipment. Our PTA was nominated and shortlisted for the best PTA national diversity mark award – a huge achievement and well deserved recognition of all their hard work and commitment to the school and its pupils.

Thank you!

Message from the PTA

The PTA would like to say a massive thank you to everyone who continues to support us. The last 18 months or so have obviously been difficult for fundraising, so we were proud to be able to donate £8,000 towards the playground equipment. We were only able to do this thanks to the amazing support you always show us. Thank you to all of you for buying raffle tickets, ordering Christmas cards, taking part in The Essex Lottery and buying our pre-loved uniform. We are looking forward to being able to plan more of our normal events next year, and will let you know what our next fundraising target is as soon as we do!
