Primary School
Connected to our world

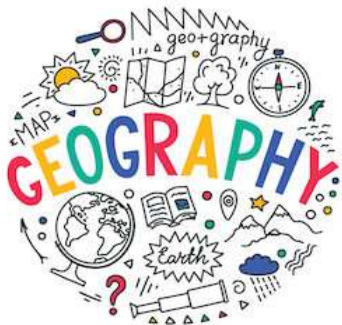

We strongly believe children should be '**connected to the world**' – we teach children to explore their surroundings, the local area and the wider world.

Geography Curriculum Offer

Knowledge Progression map in place for the whole school to ensure progression.

Knowledge Organisers and assessment quizzes in place for each two weekly cycle.

Opportunities for more able learners to challenge thinking.

Field trips and whole school enrichment days are offered throughout the year for all children.

Opportunities for children to learn about human and physical features of different places and locations.
