World Book Day 2024

World Book Day was a huge success across the school. We saw a range of characters from books old and new, and the children were all excited to share both their favourites and new discoveries. There was a wide range of activities. A huge thank you to all parents and carers who helped their children come in wearing such exciting costumes.

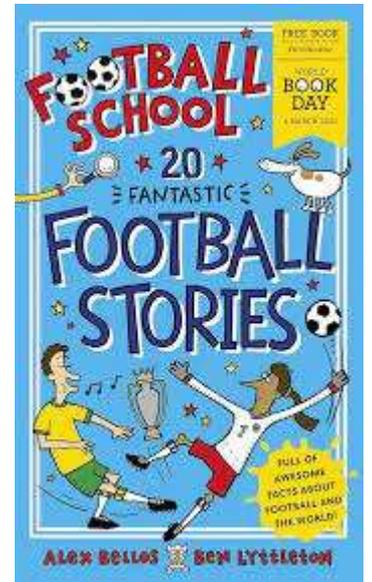

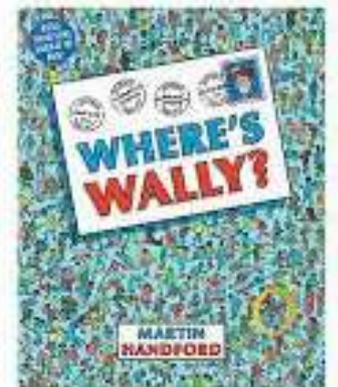

Tiger Class dressed up for World Book Day as a way of celebrating our reading choices. We completed many different book related activities such as designing front covers for our amazing writing in English. The class looked at and discussed the illustrations of Roald Dahl books and how they support the story. Tiger class then designed their own fictional character using Quentin Blake's illustrating style. They wrote a blurb to accompany their character and their story. We also created funky monster bookmarks for children to use. Throughout the day, the class listened to an audiobook version of The BFG. Tiger class have thrown themselves into celebrating World Book Day and have shown an enthusiasm and passion for reading.

Worry Monsters

The children of BCPS would like to say 'A BIG THANK YOU' to the PTA for funding a worry monster for every classroom.

We all have worries, both children and adults. They are a necessary and normal part of life. Sometimes, when worries get out of hand or are irrational, they can stop us achieving our goals, dreams and living our life to the full. A worry monster is a soft toy that is designed to help children manage their worries and anxieties. The idea is that children can either write down their worries or fears on a piece of paper or use their imagination and then feed them to the worry monster, which will "eat" the worry and take it away.

Child Safety at Easter

Mini Eggs can pose a serious choking hazard to young children, as they are just the right size to block a child's airway, meaning they can be incredibly hard to dislodge if it becomes stuck. Unlike grapes which are a similar size and shape, mini eggs are not easy to cut into smaller pieces.

The Child Accident Prevention Trust (CAPT) have advised that parents may want to crush the mini eggs with a pestle and mortar or rolling pin. Alternatively, they said parents may want to opt for a different treat altogether as larger, hollow Easter eggs are much safer.

Take a look at the [Choking Prevention page](#) from CAPT for more advice.

Red Nose Day

For Red Nose day this year, the school council have decided to go for a '**Break the rules**' day – as you were very good at it last year!

This will be Friday 15th March 2024.

You get to choose to break any of the rules that the School Council have come up with in exchange for a donation that goes towards Red Nose Day! If you wish to break any of these rules, we would be incredibly grateful of a donation of 50p per rule!

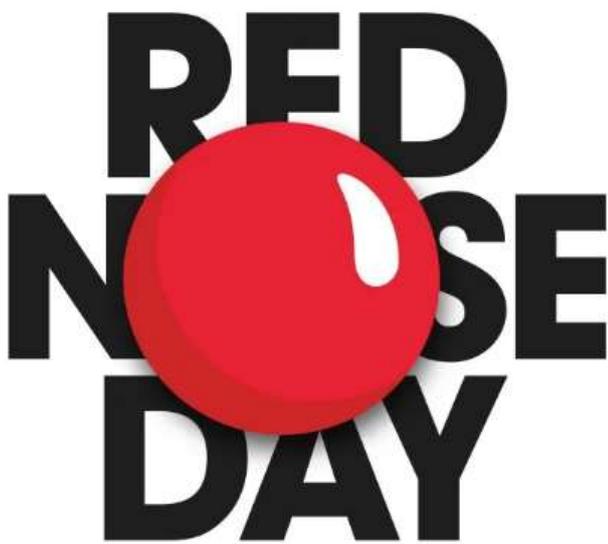

We can't wait to see which rule/s you pick to break!

- 2. Wearing your PJs**
- 3. Wearing Fancy Dress**
- 4. Put on face paint or crazy nail varnish**
- 5. Wearing Football/Rugby Kits**
