Introduction and Background

Burnham on Crouch Primary School recognises that positive behaviour and good attendance are essential in order to raise standards of pupil attainment and to give every child/young person the best educational experience possible.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "Working together to improve school attendance" and it includes a National Framework in relation to absence and the use of legal sanctions. Our School Attendance Policy reflects the requirements and principles of that guidance.

This policy is written with the above guidance in mind and underpins our school ethos to:

- · promote children's welfare and safeguarding
- ensure every pupil has access to the full-time education to which they are entitled

- ensure that pupils succeed whilst at school
- ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school

It has been developed in consultation with school governors, teachers, local Headteacher Associations, the Local Authority and parents and carers. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the schools commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

In addition, all schools follow the DfE's statutory safeguarding guidance, Keeping Children Safe in Education, which emphasises the importance of understanding the impact of children who are missing or absent from education.

https://www.gov.uk/government/publications/keeping-children-safe-in-education--2

Our policy aims to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure and valued
- Raising awareness of the importance of good attendance and punctuality
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently

For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. It is a rule of this school that pupils must attend every day, unless there are exceptional circumstances and it is the *headteacher* not the parent, who can authorise the absence.

Promoting Regular Attendance

At Burnham on Crouch Primary School, we believe in developing good patterns of attendance and set high expectations for the attendance and punctuality for all our pupils from the outset. It is a central part of our school's vision, values, ethos, and day to day life. We recognise the connections between attendance, attainment, safeguarding and wellbeing.

The name and contact details of the senior leader responsible for the strategic approach to attendance in our school is:

Name: Mr Russ

Email: aruss@burnham-on-crouch.essex.sch.uk

Contact number: 01621 782070

Helping to create a pattern of regular attendance is the responsibility of parents, pupils and all members of school staff.

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Give parents/carers details on attendance in our newsletters;
- Promote the benefits of high attendance;
- Accurately complete admission and, with the exception of schools where all pupils are boarders, attendance registers and have effective day to day processes in place to followup absence as required by law;
- Celebrate excellent attendance by displaying and reporting individual and class achievements;
- Acknowledge improving attendance; with parental letter
- Report to parents/carers regularly on their child's attendance and the impact on their progress
- Contact parents/carers should their child's attendance fall below the school's target for attendance

Whilst any child may occasionally have time off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If a parent thinks their child is reluctant to attend school then we will work with that family to understand the root problem and provide any necessary support along with our Child and Family Support Worker; Mrs. Jeanette Evans jevans@burnham-on-crouch.essex.sch.uk. We can use outside agencies to help with this such as the School Nurse and The Local Authority.

Understanding Types of Absence

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school without a good reason creates an offence in law and may result in prosecution.

Every half-day absence from school has to be classified by the school (not by the parent), as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required. Each half-day is known as a 'session'.

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness (although you may be asked to provide medical evidence for your child before this can be authorised), medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings. (see Annex I for penalty notice information)

Unauthorised absence includes, however is not exhaustive:

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn
- · absences which have never been properly explained
- children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes, however is counted as an absence for the session
- shopping trips
- looking after other children or children accompanying siblings or parents to medical appointments
- their own or family birthdays
- holidays taken during term time without leave, not deemed 'for exceptional purposes' by the headteacher - may result in school applying to the local authority to issue a penalty notice or if you have previously been issued a Penalty Notice, the school may request a direct prosecution by the local authority
- day trips
- other leave of absence in term time which has not been agreed

Persistent Absenteeism (PA)

A pupil is defined by the Government as a 'persistent absentee' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any pupil's education and we need the full support and co-operation of parents to resolve this.

A pupil who has missed 50% or more schooling is defined by the Government as 'severely absent'. Pupils within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of partners.

Absence Procedures

The name and contact details of the school staff member pupils and parents should contact about attendance on a day to day basis is:

Name: Miss Howard

Email: hhoward@burnham-on-crouch.essex.sch.uk

Contact number: 01621 782070

We monitor all absence, and the reasons that are given, thoroughly.

If a child is absent from school the parent must follow these procedures:

• Contact the school on the first day of absence before 9.20 am. The school has an answer phone available to leave a message if nobody is available to take your call, or you may call

into school personally and speak to the office staff. Please be aware that, if you leave a voicemail to report your child's absence, you may receive a call from the school so that we may discuss the absence before making a decision as to whether the absence is to be recorded as authorised:

- Contact the school on every further day of absence, again before 9.20 am
- Ensure that your child returns to school as soon as possible and you provide any medical
 evidence, if requested, to support the absence. Medical evidence may be requested where
 your child is having multiple periods of absence which are reported as being due to medical
 reasons. When determining whether a child is too ill to attend school, both parents and
 school staff can consider the advice contained within the NHS and Essex County Council
 Guidance on School Absence and Childhood Illness (Annex H)

If your child is absent we will:

- Telephone or text you on the first, and every subsequent day of absence before 9.20am, if we have not heard from you however it is your responsibility to contact us
- If we are unable to make contact with parents by telephone, we will telephone emergency contact numbers, send letters home and a home visit will be made in the interests of safeguarding
- A referral will be made to Local Authority if no contact has been made with parents by the 10th day of absence (or sooner if deemed appropriate), at which point your child will be considered to be "missing from education."

If absence continues we will:

- Write to you if your child's attendance is below 95%, or where punctuality is a concern
- Arrange a meeting so that you may discuss the situation with our Attendance Officer
- Create a support first plan to address any barriers to attendance (See ANNEX G)
- Offer signposting support to other agencies or services if appropriate
- Refer the matter to the Local Authority for relevant sanctions if attendance deteriorates following the above actions

First day calling:

Refer to Annex C for our First Day Call Procedure

The school operates a first day response to absence: we will text you if we have not heard from you in the first instance. If we are unable to make contact with parents/carers by telephone; we will telephone emergency contact numbers, send letters home and a home visit will be made in the interests of safeguarding. A referral will be made to Local Authority if no contact has been made with parent/carers by the 10th day of absence, at which point your child will be considered Missing from Education.

Lateness

Poor punctuality is not acceptable and can contribute to further absence. Good time-keeping is a vital life skill which will help children as they progress through their school life and out into the wider world.

Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed, miss vital work and important messages from their class teacher.

The times of the start and close of the school day for all pupils at Burnham on Crouch Primary School are:

Gates open: 8.40 am

Registration closes: 8.59 am Afternoon Registration starts: 1pm Afternoon Registration closes: 1.15pm

End of the school day: 3.20 pm

How we manage lateness:

- The school day starts at 8.40am when children can begin to come into school
- Registers are taken at 8.50am and your child will receive a late mark 'L' if they are not in by that time
- Children arriving after 9.00am are required to come into school via the school office. If accompanied by a parent/carer they must sign them in using the school's electronic Sign In App and provide a reason for their lateness which is recorded
- At 9.20am the registers will be closed. In accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site 'U', but this will not count as a present mark and it will mean they have an unauthorised absence
- The school may contact parents/carers regarding lateness
- From time to time a member of school staff will undertake a 'Late Gate' check, greeting late arrivals at the main entrance to the school

Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent late record, you will be asked to meet with our School Attendance Officer and/or our Child and Family Support Worker, but you can approach us at any time if you are having difficulties getting your child to school on time. We expect parents and staff to encourage good punctuality by being good role models to our children and celebrate good class and individual punctuality.

Understanding barriers to attendance

Whilst any child may occasionally have time off school because they are too unwell to attend, sometimes they can be reluctant to attend school. Any barriers preventing regular attendance are best resolved between the school, the parents and the child. If a parent thinks their child is reluctant to attend school, then our Attendance Officer and our Child & Family Support Worker will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this, such as the School Nurse, Mental Health and Emotional Wellbeing support services, or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Family meeting (TAF) to consider what is working well and what needs to improve. An individualised early help plan will be agreed and subsequently reviewed.

Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long-term medical conditions or who have special educational needs and disabilities, or other vulnerabilities. High expectations of attendance remain however, we will

work with families and pupils to support improved attendance whilst being mindful of the additional barriers faced. We can discuss reasonable adjustments and additional support from external partners where appropriate.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all pupils who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

See Annex A for summary tables of responsibilities for school attendance.

Local Authority attendance support services

Local Authority Attendance Specialists work strategically by offering support to schools, families, and other professionals to reduce persistent absence and improve overall attendance.

Parents are expected to work with the school and local authority to address any attendance concerns. Parents should proactively engage with the support offered, aiming to resolve any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may consider more formal support and/or refer the child to the Local Authority. If attendance does not improve, legal action may be taken in the form of a Penalty Notice (see Annex B for the Essex Code of Conduct), prosecution in the Magistrates Court.

Attendance Strategy/Information

Please refer to ANNEX F

School Attendance and the Law

New legislation was passed, The School Attendance (Pupil Registration) (England) Regulations 2024 which introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parents may be recognised differently under education law, than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

National Framework for Penalty Notices

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10 school week period can span different terms, school years or education settings.

Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to £2500 and/or up to 3 months in prison. If a parent is found guilty in court, they will receive a criminal conviction.

See Annex B for the Essex Code of Conduct.

There is no entitlement in law for pupils to take time off during the term to go on holiday. In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school".

The School Attendance (Pupil Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they do not have any discretion to authorise up to ten days of absence each academic year.

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher or his/her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing, in advance, on the prescribed form provided by the school. The school will usually consider that the parent who has made the application is therefore allowing the leave of absence, and also that all parents who are on the holiday are allowing the leave. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National Framework and Essex Code of Conduct, in respect of each parent believed to have allowed the absence.

At Burnham on Crouch Primary School 'exceptional circumstances' will be interpreted as:

... being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time (as determined by the headteacher). The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time, outside of school term time.

We will not consider applications for leave during term time:

- at any time in September. This is very important as your child needs to settle into their new class at the start of the academic year as quickly as possible.
- during assessment and test periods in the school's calendar affecting your child.
- when a pupil's attendance record already includes any level of unauthorised absence or they have already been granted authorised leave within that academic year.

If leave of absence is authorised, the school will not provide work for children to do during their absence. Parents are however advised to read with their children and encourage them to write a diary while they are away.

Requesting a Leave of Absence

If a parent/carer believes they have a valid reason to request a leave of absence for their child, they should complete an Application for Leave of Absence during Term Time Form (available from the school office) and return it to the School Office with a covering letter outlining the exceptional circumstances. (see Annex E).

Please note that any Leave of Absence forms will be referred to our Headteacher if:

- Attendance is below 95%
- The request is for five days or more

You may need to meet with our Headteacher to discuss your request for leave. This will be decided on a case by case basis.

We will not consider applications for leave during term time:

- at any time in September. This is very important as your child needs to settle into their new class as quickly as possible.
- during assessment and test periods in the school's calendar affecting your child.
- when a pupil's attendance record already includes any level of unauthorised absence or they have already been granted authorised leave within that academic year.

If leave of absence is authorised, the school will not provide work for children to do during their absence. Parents are however advised to read with their children while they are away.

Deletion from Roll

For any pupil leaving Burnham on Crouch Primary School, other than at the end of year 6 parents/carers are required to complete a 'Pupils moving from *school*' form which can be obtained from the school office. This provides school with the following information: Child's

name, class, current address, date of leaving, new home address, name of new school, address of new school. This information is essential to ensure that we know the whereabouts and appropriately safeguard all of our pupils, even those who leave us.

It is crucial that parents keep school updated with current addresses and contact details for key family members in case of emergency.

Under Pupil Regulations 2006, all schools are now **legally required** to notify their Local Authority of **every new entry** to the admission register **within five days** of the pupil being enrolled. In addition to this, **every deletion** from the school register must also be notified to the Local Authority, as soon as the ground for deletion has been met in relation to that pupil, and in any event no later than the time at which the pupil's name is deleted from the register. This duty does not apply when a pupil's name is removed from the admission register at a standard transition point – when the pupil has completed the final year of education normally provided by that school.

Absence data

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve, and schools are required to submit pupil attendance data to the Department for Education on a daily basis Education (Information about Individual Pupils) (England) (Amendment) Regulations 2024. Persistently and severely absent pupils are tracked and monitored carefully. We also combine this with academic tracking, as increased absence affects attainment.

We share information and work collaboratively with other schools in the area, local authorities, and other partners, when absence is at risk of becoming persistent or severe.

Summary

The school has a legal duty to publish its absence figures to parents and to promote attendance.

Equally, parents have a duty to make sure that their children attend school, on time, every day.

All school staff and the Governing Body are committed to working with parents and pupils as this is the best way to ensure as high a level of attendance at our school as possible.

Annex A: DfE guidance Summary table of responsibilities for school attendance. From 19th August 2024

All pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Ensure their child attends every day the school is open except when a statutory reason applies.	Have a clear school attendance policy on the school website which all staff, pupils and parents understand.	Take an active role in attendance improvement, support their school(s) to prioritise attendance, and work together with leaders to set whole school cultures.	Have a strategic approach to improving attendance for the whole area and make it a key focus of all frontline council services.
Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness). Only request leave of absence in exceptional circumstances and do so in advance. Book any medical appointments around the school day where possible.	Develop and maintain a whole school culture that promotes the benefits of good attendance. Accurately complete admission and attendance registers. Have robust daily processes to follow up absence. Regularly monitor data to identify patterns and trends and understand which pupils and pupil cohorts to focus on. Have a dedicated senior leader with overall responsibility for championing and improving attendance.	Ensure school leaders fulfil expectations and statutory duties. Use data to understand patterns of attendance, compare with other local schools, identify areas of progress and where greater focus is needed. Ensure school staff receive training on attendance.	Have a School Attendance Support Team that works with all schools in their area to remove area-wide barriers to attendance. Provide each school with a named point of contact in the School Attendance Support Team who can support with queries and advice. Offer opportunities for all schools in the area to share effective practice.

Pupils at risk of becoming persistently absent

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered to prevent the need for more formal support.	Proactively use data to identify pupils at risk of persistent absence. Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance. Where out of school barriers are identified, signpost and support access to any required services in the first instance and act as lead practitioner if attendance is the only issue and/or the local threshold for formal early help is not met. If the issue persists, take an active part in the multi-agency effort with the local authority and other partners. If a case meets the local threshold for formal early help/family support, this includes conducting the early help assessment and acting as the lead practitioner where all partners agree that the school is the best placed lead service. Where the lead practitioner is outside of the school, continue to work with the local authority and partners.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Hold a regular conversation with every school to identify, discuss and signpost or provide access to services for pupils who are persistently or severely absent or at risk of becoming so. Where there are out of school barriers, provide each identified pupil and their family with access to services they need in the first instance. If the issue persists, and there are multiple needs consider whether the threshold for early help is met and facilitate access where it is. Regardless, take an active part in the multi-agency effort with the school and other partners. Provide the lead practitioner in cases where threshold is met and all partners agree that a local authority service is best placed to lead. Where the lead practitioner is outside of the local authority, continue to work with the school and partners.

Persistently absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continue support as for pupils at risk of becoming persistently absent and: Where absence becomes persistent, put additional targeted support in place to remove any barriers. Where necessary this includes working with partners. Where there is a lack of engagement, hold more formal conversations with parents and be clear about the potential need for legal intervention in future. Where support is not working, being engaged with or appropriate, work with the local authority on legal intervention. Where there are safeguarding concerns, intensify support through a referral to statutory children's social care. Work with other schools in the local area, such as schools previously attended and the schools of any siblings.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continue support as for pupils at risk of becoming persistently absent and: Work jointly with the school to provide formal support options including attendance contracts and education supervision orders. Where there are safeguarding concerns, ensure joint working between the school, children's social care services and other statutory safeguarding partners. Where support is not working, being engaged with or appropriate, enforce attendance through legal intervention (including prosecution as a last resort).

Severely absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continue support as for persistently absent pupils and: Agree a joint approach for all severely absent pupils with the local authority.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continue support as for persistently absent pupils and: All services should make this group the top priority for support. This may include a whole family plan, consideration for an education, health and care plan, or alternative form of educational provision. Be especially conscious of any potential safeguarding issues, ensuring joint working between the school, children's social care services and other statutory safeguarding partners. Where appropriate, this could include conducting a full children's social care assessment and building attendance into children in need and child protection plans.

Support for cohorts of pupils with lower attendance than their peers

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Not applicable.	Proactively use data to identify cohorts with, or at risk of, low attendance and develop strategies to support them. Work with other schools in the local area and the local authority to share effective practice where there are common barriers to attendance.	and help school leaders focus support on the pupils who need it.	Track local attendance data to prioritise support and unblock area wide attendance barriers where they impact numerous schools.

Support for pupils with medical conditions or SEND with poor attendance

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered.	Maintain the same ambition for attendance and work with pupils and parents to maximise attendance. Ensure join up with pastoral support and where required, put in place additional support and adjustments, such as an individual healthcare plan and if applicable, ensuring the provision outlined in the pupil's EHCP is accessed. Consider additional support from wider services and external partners, making timely referrals. Regularly monitor data for such groups, including at board and governing body meetings and with local authorities.	1	Work closely with relevant services and partners, for example special educational needs, educational psychologists, and mental health services, to ensure joined up support for families. Ensure suitable education, such as alternative provision, is arranged for children of compulsory school age who because of health reasons would not otherwise receive a suitable education.

Support for pupils with a social worker

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered.	Know who the pupils who have, or who have had, a social worker are. Understand how the welfare, safeguarding, and child protection issues that they are experiencing, or have experienced, can have an impact on attendance – whilst maintaining a culture of high aspiration for the cohort. Provide additional academic support and make reasonable adjustments to help them, recognising that even when statutory social care intervention has ended, there can be a lasting impact on children's educational outcomes. Work in partnership with the local authority at a strategic and individual level, sharing data on attendance including, at an individual level, informing the pupil's social worker if there are any unexplained absences and if their name is to be deleted from the register.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Ensure that all Children's Social Care practitioners, understand the importance of good attendance for pupil's educational progress, for their welfare and their wider development – and understand their role in improving it. Through the work of Virtual School Heads, they should: • Undertake systemic monitoring and data sharing of the attendance of children with a social worker in their area: developing and implementing targeted cohort level interventions to improve attendance. • Provide advice, challenge and training to schools on how to promote and secure good attendance for children with a social worker. • Develop whole system approaches, with social care, to support the attendance of children in need.

Looked after and previously looked after children

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand the child's barriers to attendance – including the development of Personal Education Plans. Proactively engage with the support offered.	Have high expectations for the cohort – with expert support and leadership provided by the designated teacher for looked-after and previously looked-after pupils. Work in partnership with the local authority Virtual School Head to develop and deliver high quality Personal Education Plans for looked-after children that support good attendance. Work directly with parents to develop good home-school links that support good attendance. For previously looked-after pupils this could include discussion on use of the Pupil Premium Plus funding managed by the school.	Designate a member of staff to have responsibility for the promotion of the educational achievement of looked-after and previously looked-after pupils. Monitor and review attendance of the cohort and consider how school policies, including behaviour policies, are sensitive to their needs and support good attendance.	Promote the educational achievement of looked-after and previously looked-after children – doing everything possible to minimise disruption to education when a pupil enters care. (LA that looks after the child:) Appoint an expert Virtual School Head (VSH) – will: • Monitor, report on, and evaluate the education outcomes of looked after children, including their attendance, as if they attended a single school-whenever they live or are educated. • Ensure schools know when they have a pupil looked after by the authority on their role and that information is shared with the school on issues that may impact on their attendance. • Ensure that all looked-after pupils have high quality, up to date, effective Personal Education Plans developed in partnership with schools, social workers and carers – including, where necessary, clear interventions and use of pupil premium plus funding to support good attendance. • Provide expert advice and information on the education of previously looked-after pupils to schools and parents – including their attendance.

Monitoring

Parents:	Schools:	Academy trustees and governing bodies:	Local authorities:
Schools regularly update parents on their child's attendance. (If parents feel the school and or local authority have not not delivered what they are expected to they should discuss the case with the school and/or local authority's attendance support team.)	The school's Senior Attendance Champion will ensure all school based staff complete their attendance responsibilities in line with the school's policies and procedures. The governing board or academy trust will hold the headteacher or executive leadership to account for their delegated responsibilities and for compliance with regulatory and statutory requirements. They will review progress and provide challenge when required. The board will help school leaders focus improvement efforts on the individual pupils or cohorts who need it most and ensure that school staff receive adequate training on attendance. Ofsted will expect schools to do all they reasonably can to achieve the highest possible attendance as part of the behaviour and attitudes judgement. This includes, where attendance is not consistently at or above what could reasonably be expected, that schools have a strong understanding of the causes of absence (particularly for persistent and severe absence) and a clear strategy in place that takes account of those causes to improve attendance for all pupils. Ultimately, in cases where a school has not met expectations or statutory duties the Secretary of State can consider a complaint.	DfE Regions Group considers multi academy trusts' efforts on attendance as part of decision making. Ofsted considers governing bodies' efforts as part of inspections.	DfE Regions Group monitors local authority efforts as part of regular interaction. Ofsted may consider the local area partnership's approach to improving attendance of children and young people with SEND as part of the SEND Area Inspection, and the local authority's approach to improving attendance for children with a social worker through inspecting local authority children's services. Ultimately, in cases where a local authority has not met expectations or statutory duties the Local Government and Social Care Ombudsman or the Secretary of State can consider a complaint.

Annex B

ESSEX CODE OF CONDUCT PENALTY NOTICES FOR PARENTS OF TRUANTS AND PARENTS OF PUPILS EXCLUDED FROM SCHOOL ANTI-SOCIAL BEHAVIOUR ACT 2003 SECTION 23

The purpose of this local code of conduct is to ensure that the powers are applied consistently and fairly across the Local Authority area to all Essex residents.

The Government requires Local Authorities to issue a code of conduct and any persons issuing Penalty Notices to a parent¹ must do so in accordance with this protocol. Essex County Council is legislatively responsible for administering the Penalty Notice scheme and will do so in accordance with a number of legislative and non-legislative requirements.

The Essex code has been agreed following consultation with;

- Essex County Council representatives Attendance Compliance Team and Essex Legal Services.
- Representatives from Governing Bodies and Headteachers of Essex Schools
- Essex Police
- Persons accredited under Essex Police's Community Safety Accreditation Scheme (CSAS)

The Code of Conduct is in accordance with the following legislation;

LEGISLATIVE FRAMEWORK FOR EDUCATION PENALTY NOTICES

The legal framework governing school attendance and the responsibilities of parents of excluded pupils, schools and the LA is set out in a succession of acts, regulations and other guidance.

Education Act 1996

Under Section 7 of the Act: the parent is responsible for making sure that their child of compulsory school age receives efficient full time education that is suitable to the child's age, ability and aptitude and to any special educational needs that the child may have, this can be by regular attendance at school, or otherwise (the parent can choose to educate their child themselves). If it appears to the LA that a child of compulsory school age is not receiving a suitable education, either by regular attendance at school or otherwise then they must begin procedures for issuing a School Attendance Order under Section 437 of the Education Act 1996. If a child of compulsory school age who is registered at a school fails to attend the school regularly the parent is guilty of an offence under Section 444(1) of the Education Act 1996. In addition, if it can be proved that a parent knew of the child's non-attendance and failed to act, then they may be found guilty under Section 444(1 A). This offence (known as the higher or aggravated offence) can lead to a warrant being issued compelling a parent to attend court and conviction may result in a higher level fine and/or a custodial sentence.

¹ All those defined as a parent under Section 576 Education Act 1996 are parents for the purpose of these provisions. This means that all natural parents, whether they are married or not; any person who, although not a natural parent, has parental responsibility (as defined in the Children Act 1989) for a child or young person; and any person who, although not a natural parent, has care of a child or young person. Having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child, is considered to be a parent in education law. Parent means each and every parent coming within the definition (whether acting jointly or separately) and should not be taken to mean that provisions only apply to parent in the singular. As with prosecutions under Section 444 Education Act 1996 a penalty notice may be issued to each parent liable for the offence.

On 6 April 2017, in the case of Isle of Wight Council v Platt [2017] UKSC 28, the Supreme Court ruled that the word 'regularly' means 'in accordance with the rules prescribed by the school.'

AUTHORISATION TO ISSUE PENALTY NOTICES

Primary responsibility for issuing penalty notices rests with the Local Authority (LA). It has been agreed that the Attendance Compliance Team, on behalf of Essex LA, will usually issue penalty notices. The Service will administer the scheme from any funds obtained as a result of issuing penalty notices.

Head Teachers (and Deputy Head Teachers and Assistant Head Teachers authorised by the head teacher) and police, and persons accredited by the community safety accreditation scheme are all able to issue the notices under the Act, although there is no requirement for them to do so.

In Essex it has been agreed that the Police and Head Teachers will not issue penalty notices to parents. Persons accredited through the Community Safety Accreditation Scheme² are authorised to do so.

CIRCUMSTANCES IN WHICH A PENALTY NOTICE MAY BE ISSUED

Penalty Notices apply to pupils of statutory school age, which commences the term immediately following the child's 5th birthday and finishes on the last Friday in June of school year in which they turn 16.

Penalty notices will only be issued as a conclusion to a series of processes and when all attempts to address school attendance matters have been unsuccessful. If a previous Penalty Notice has been unsuccessful,

² Accredited companies at time of this publication are Attendance Solutions Essex, Aquinas School Attendance Provisions and NEMAT Support Services

rationale and justification should be provided as to why issuing another Penalty Notice would improve the attendance of the student. If schools are not aware of any previous or current legal interventions they must email attendancecompliance@essex.gov.uk. A response will be sent within 3 working days. Parents cannot be penalised more than once for the same period of absence.

Domestic and European legislation and case law makes it clear that when serving a formal Notice in criminal proceedings, the recipient must be clearly and unambiguously identified. For the Purpose of issuing a Penalty Notice under this Code, the parent's first and last name must be cited on the Notice and any covering letter. Essex partners have agreed to use Penalty Notices for the following circumstances however the offence under s444 Education Act 1996 is the same whether issued for unauthorised leave of absence (ULA) or irregular school attendance (ISA):

Penalty notices for unauthorised leave of absence (ULA)³

Penalty Notices may be issued where there have been at least 10 consecutive sessions of unauthorised absence for the purpose of a holiday, whereby a parent made an application to the School which the Head Teacher has deemed not for exceptional circumstances. In addition, a Penalty Notice may also be issued, whereby the parent did not submit a leave of absence request, however the school have reason to believe the absence was for the purpose of a holiday and should not be authorised as parent has not provided any additional evidence which the Head Teacher deems appropriate to support the absence. In addition to the above criteria, due to the importance of pupils settling into school at the commencement of the school year, Penalty Notices may also be issued if there have been at least 6 consecutive sessions of unauthorised absence during the first two weeks of September due to a term-time holiday.

The Local Authority requests that for Penalty Notices to be issued, parents must be duly warned of the legal ramifications under separate cover if they remove their child from school for the purpose of a holiday. Schools/Academies must reference the use of Penalty Notices within their Attendance Policy which must be available to all parents/carers online and/or in hard copy within the school, accessible to parents to read. Schools should remind parents of the protocol regarding leave of absence during term time.

Penalty Notices for Irregular School Attendance (ISA)

Penalty Notices may be issued where there has been at least 10 sessions of unauthorised absence during the previous 10 school weeks.

Parents must have been issued with a Legal Action Warning Letter with accompanying Legal fact sheet and given opportunities to inform the school of any factors impacting on their ability to ensure their child attends school regularly. Warning letters are valid for 18 calendar weeks.

The Local Authority advises that the following template is used for irregular school attendance referrals as this has been specifically designed to enable the progression of cases if appropriate. This letter must be on headed paper from the school or accredited persons issuing the notice. The legal fact sheet must be included

 $\frac{https://schools.essex.gov.uk/pupils/Attendance_Compliance/Documents/Legal\%20Action\%20Warning\%20Letter}{\%20for\%20schools.docx}\,.$

Failure to adequately issue warning to parents may result in the Penalty Notice being withdrawn or not issued.

All penalty notice referrals or notifications from Accredited Persons must be sent via Essex County Council's online portal and all relevant pre-referral work in accordance with the Local Authority requirements must be uploaded alongside the referral/notification.

The Local Authority must be satisfied that the substantive offence in accordance with s.444 Education Act 1996 has been committed prior to issuing a Penalty Notice.

³ Truancy/unauthorised/irregular school attendance refers to absence from school without permission or good reason and the absence is unauthorised by the school.

Evidence of attempts to address attendance concerns within the previous 8 weeks prior to requesting or notifying of a Penalty Notice must be submitted. Satisfactory evidence includes letters, notes of home visits, meetings, telephone calls etc.

N.B. for ULA and ISA PN's consideration should always be given to whether it is appropriate to issue to absent parents.

Number of Penalty Notices which can be issued for Irregular school attendance/unauthorised leave of absence

Discretion will be used to enable up to two penalty notices to be issued to each parent for each child within a twelve month period. If the law continues to be broken around school attendance the Attendance Compliance Team may instigate legal proceedings.

Number of Penalty Notices which can be issued for pupils identified during a school attendance and exclusion sweep

School attendance and exclusion sweeps take place in Essex and children stopped are often with parents condoning the absence.

If the Head Teacher has not authorised the absence of a pupil stopped by a Local Authority Officer and Police Officer on a sweep and there has been at least 9 unauthorised absences for that pupil during the preceding 10 schools weeks, school will issue a legal action warning letter to the parent within 14 days. If there are any further unauthorised absences, during the following 18 calendar weeks a referral to the Attendance Compliance Team may be submitted for a Penalty Notice to be issued.

Essex will issue no more than two penalty notices to a parent in a twelve month period for pupils identified on a school attendance and exclusion sweep. If the law continues to be broken around school attendance the Attendance Compliance Team will instigate legal proceedings.

Excluded children

When a child is excluded from school, the parent will be responsible for ensuring that their child is not found in a public place during normal school hours on the first five days of each and every fixed period or permanent exclusion. (Section 103 Education and Inspections Act)

The excluding school must have notified the parent informing them of their duty and warning that a penalty notice could be issued.

Where there is more than one person liable for the offence, a separate penalty notice may be issued to each person.

Where a pupil is present in a public place in the first five days of a fixed period exclusion the Essex Local Authority would issue a penalty notice if the school is in their area. Where the child has been permanently excluded, it would be the authority where the child resides.

Number of penalty notices which can be issued for exclusion

Essex will issue a maximum of 2 penalty notices per parent for each child during a 12 month period.

Number of penalty notices which can be issued for unauthorised leave of absence

Essex will issue no more than two penalty notices to a parent in a twelve month period for unauthorised leave of absence. If the law continues to be broken around school attendance, the Attendance Compliance Team will consider further legal interventions.

PAYMENT OF PENALTY NOTICE

The penalty for each parent issued with a Penalty Notice is £120 for each child, however if paid within 21 days of receipt of the notice, it is reduced to £60. (Service by post is deemed to have been effected, unless the contrary is proved, on the second working day after posting the notice by first class post).

All penalties are paid to the LA and revenue generated is retained to administer the system and contribute towards s444 prosecutions following the non-payment of the Penalty Notice.

If the penalty is not paid in full by the end of the 28 day period, the Attendance Compliance Team will either prosecute for the offence to which the notice applies or withdraw the notice. The prosecution is not for non-payment of the notice but is a prosecution for irregular school attendance – Education Act 1996 Section 4441.

There is no statutory right of appeal against the issuing of a penalty notice.

WITHDRAWAL OF PENALTY NOTICE

A penalty notice may be withdrawn by the local authority named in the notice under the following circumstances:

- Where the local authority deems it ought not to have been issued i.e. where it has been issued
 outside the terms of the local code of conduct or where the evidence does not support the
 issuing of a penalty notice
- It appears to the local authority that the notice contains material errors
- Where it has been issued to the wrong person named as the recipient.

CO-ORDINATION BETWEEN THE LOCAL AUTHORITY AND ITS LOCAL PARTNERS

The Attendance Compliance Team and its local partners will review this Code of Conduct bi-annually unless local needs require otherwise.

First Day Call Procedures

- Listen to absence calls/read absence emails.
- Bring together registers, lates, absence calls produce the list of children absent with no explanation.
- (Maybe consider a double check in school before you start calling)
- 9.20am text to say child has not turned up for school.
- 10am Start first day calling for children absent without explanation, call everyone on the contact list until you get an answer. Leave messages if there is a voicemail option. If you have text message systems use them but don't leave it at that.
- You might get an overseas ring tone is the family taking a holiday they haven't told you about?
- Call the contact list at least **twice**.
- By this stage, if you have a good contact list (3 numbers minimum) you probably have a reply.
- 10.30am If no reply at all consider whether any children have additional agency support, such as a social worker, contact them.(contact numbers are on SIMS under quick notes. In addition Safeguarding Leads have an up to date Child protection register if children need to be checked for external agency involvement. The keys to Child and Family Support Worker's filing cabinet are held in the school safe if children's records need to be found to get contact details etc).
- Do you have any in school intelligence, does anyone know the family? Check particularly with the Child and Family Support Worker.
- No explanation from a supportive family is very worrying so don't just concentrate on children who you already know to be vulnerable.
- 2 members of staff to make a prompt home visit. One of which to be a member of SLT plus the Child and Family Support Worker or The Attendance Officer.
- If you cannot get an answer leave our First Day Call template letter (see annex D) and refer to children's services (social care 0345 6037627) / Police 101) and request a welfare call immediately upon return to school.
- If you can see them inside a house avoiding your knock, still refer as the police can determine whether they consider the children/child are at risk of significant harm.
- Continue with the First Day Call Procedures until the agency contacted (ie. children's services/Police) have referred back with a conclusion.
- After 10 days (20 sessions) of no attendance, complete the Missing Person Check List on the Essex Schools Info. Link

Please note that the school may deem it necessary to carry out additional welfare home visits as well as those outlined in the first day call procedures.

Helping parents to understand the changes to fines for term time holidays

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools after 19th August 2024.

Who may be fined?

Penalty Notice Fines are issued to each parent who allows their child to be absent from school.

For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

First Offence

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be:

£80 per parent, per child if paid within 21 days.

Increasing to £160 if paid between days 22-28.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence, including the U code (late after registers have closed).

For example: a 5-day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

Second Offence

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be:

£160 per parent (who allowed the holiday), per child, payable within 28 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court.

Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
