

Dear Parent/Carer,

I am writing to congratulate your child on their excellent effort and achievement in the forthcoming Year 6 SATs. I am very proud to advise that their results are predicted to be the best results the school has ever produced and this is largely due to your child's hard work and determination. If we achieve the predicted scores, these results would put the school in the top 20% of schools, outperforming many local and national schools which are similar to ours. Most importantly, this will give your child the start they deserve at secondary school. Given the tumultuous last few years, I am very pleased that we managed to keep our promise to you and help your child achieve the standard they are capable of. Please congratulate your child as this is a tremendous achievement and your child should be extremely proud of their progress. I think it is important that they know we are *already* proud of them.

Regarding this weekend, you know your child best so I trust your decision as to whether they should have a complete rest or continue to revise. I would, however, recommend some early nights and a limit on electronic devices so they are fully refreshed on Monday. As per Mrs Powell's letter dated the 21st April, we are offering FREE Breakfast Club places with a healthy Breakfast each morning of that week. This will be an ideal opportunity for the children to come into school early and settle into the school day without worrying about the tests. Breakfast Club starts from 7.40am and finishes ready for school at 8.40am and will be taking place in the old school hall. On Friday there will be also be a celebration breakfast.

Over the next few weeks the children will be focusing on their writing (which is assessed like coursework at GCSE) and I have arranged a number of rewards for the children – further information will follow.

Thank you very much for your support.

Kind regards,

Kelly Stock

Headteacher
